

Learning Molecular Diagnostics Methods to Understand COVID-19 Diagnosis

We the entire community are in-depth experiencing many facets of COVID-19 pandemic. We have come strong through this myriad of lessons. It's time for our curious science fellows to learn closely how the diagnosis has evolved during COVID-19 pandemic. This is time to learn all the practical details and have an live experience of all the instrumentation required to carry molecular diagnostics.

COURSE DETAILS

Participants : UG, Graduate, PG, Researcher, Academician, Industrial Professional from Life Science Background

Course Module : Demonstration (Offline Course)

Course Duration : Two Days

Course Period : 1st Batch - 20th May 2022 & 21st May 2022 (Other batch options are also available)

Course Daily Hours : 10am to 5pm

Course Fees : ₹ 3,200/- (INR Three Thousand Two Hundred Only)

Course Fees Includes : • Complete Set of Notes • Training Kit (Note Pad, Pen, BioEra Bag, BioEra Apron) • Certificate • Food (Morning Tea with breakfast, Lunch and High Tea)

PRACTICALS

1. Demonstration of Sampling methods
2. Genome Extraction from the samples
3. Designing and Analyzing PCR and RT PCR
4. Agarose Gel Electrophoresis

PRESENTATIONS

1. Exploring Sampling Methods
2. Genome Extraction Methods
3. PCR...from endpoint to real time analysis
4. Electrophoresis

Registration Modes

Mode I

Download the Registration Form from our site www.bioera.in and post / courier / submit in-person - completely filled Registration Form along with Demand Draft in favor of '**BioEra Research and Development Pvt. Ltd.**' payable at **Pune** or by cash to following address –

BioEra Research & Development Pvt. Ltd.
BioEra Park, S. No. 125, Mumbai-Bangalore Highway,
Tathawade, Pune - 411033, Maharashtra, India

Mode II

You can also pay by direct deposit of Cash / Cheque in your city in any branch of Bank of Baroda or transfer online by **net-banking / NEFT / UPI**. The details can be downloaded from our site www.bioera.in. Please send the receipt / reference number by email support@bioeraindia.com with details of direct deposit along with scan copy of Registration Form to confirm your registration.

BioEra Research & Development Pvt. Ltd.
